JFK Must Knows: *this is the most popular of the 3 NYC airports, however it is the furthest away from the area we will be in, but has the best flight options.*

LGA Must Knows: *this would be our suggestion for proximity, ease for your uber to get you into the city and distance too.*

EWR Must Knows: *this is our least favorite of the 3 airports, however, if you plan to take public transport from airport into Manhattan, this is the best choice.*
