MEET

## YADIRA HARRISON

CO-FOUNDER | VERB

### *Meet Yadira Noelle Harrison, the dynamo co- founder of verb.*

an award-winning creative agency, who turned her most challenging career moment into a thriving eight-figure triumph. With her unique blend of resilience, creativity, and a knack for transforming adversity into opportunity, Yadira not only rewrites the narrative of defeat but also empowers others to do the same. Whether she's masterminding the next big campaign, diving into the adrenaline-pumping world of Formula 1, or stealing the show with her karaoke prowess, her vibrant approach to both life and work inspires unstoppable greatness. Download Yadira's media kit, reach out for a collaboration, or invite her to speak at your next event, and ignite a powerful shift in mindset that will propel you and your audience towards crafting your own narrative of success.

MEET

## ANGELLA FRASER

CEO | HEADSPACE NC

### *Angella Fraser (she/her) is a Joy Strategist!*

She believes we have to get serious about prioritizing joy and challenging the idea that joy has to wait, is less valuable than money (as if the two are mutually exclusive,) and is reserved for the few. None of that is true! She'll strategize to help you put joy in its rightful, divine place in your life; first! Angella is available for keynote presentations, workshops, media interviews, and spokesperson opportunities. Her range of diverse experiences and drive for exposing profound truths create immediate new possibilities for audiences worldwide. Download Angella's media kit, schedule an interview or meeting, or book her on your stage today!
